

EARLY WALK-IN HOURS*

**Now Open for Our Cornerstone Patients—
Physician Walk-in hours between 8:00 am and 9:00 am.
at our Wheaton South and Geneva offices.**

For non-emergent illnesses only!

All patients will be screened by our triage nursing staff.

Appropriate illnesses with fewer than
5 days of symptoms, for example:

- › pink eye
- › allergic reactions
- › urinary tract infections
- › upper respiratory infections
- › sore throat
- › ear infections
- › rashes.

You may be denied a visit during this hour if illness is chronic
or complicated and better served by an appointment with your
primary physician.

Wellness appointments, including sports physicals will not
be seen.

If illness needs emergent care, you may be directed to the ER.

* Walk-in hours are not available on holidays or weekends.
